

Room Parent Permission for Contact

It is our goal to have a Room Parent for every classroom teacher, usually a parent of one of the students in your child's class. This parent will assist the teacher in planning and recruiting help from other parents in the classroom for parties, field trips and special events throughout the year.

To ensure that all children's families have the opportunity to be a part of classroom activities, **Room Parents need to be able to send notes, emails, and make phone calls to the parents of the students in the class.** Your signed permission below allows Shayne PTA to release your contact information to the Room Parent who has volunteered this year to help your child's teacher. *Please fill out one form for each child and return it to their teacher.*
